Advanced Education in Long Term Care

GERTI™ Focuses On:

- Changing the public perception of LTC
- Improving survey outcomes
- Reducing high turnover rate of staff
- Promoting Person Directed Care
- Reducing abuse and neglect
- Empowering direct care staff to be responsible and accountable
- Building Partnerships with Educational Institutions as a clinical site to help equip students to work in LTC
- Increasing awareness that LTC is a vital and worthy pursuit for a life-long career

Our teachers are qualified professionals with experience in the topics they teach and are able to provide real world examples and solutions to situations that LTC employees face everyday.
