# Nursing Leadership

## Class Objectives:

- ▼ **Prioritizing and creating systems that ensure quality**
- ▼ **Managing, leading, and motivating the nursing department**
- ▼ **Hiring right, developing staff, and stopping insane scheduling**
- ▼ **Effective risk management and how to complete an investigation**
- ▼ **Appreciating the effect of the RAI and restorative nursing on the bottom line**
- ▼ **Understanding the survey process**

**All of the above is taught from the person-centered care point of view.**

## Our Presenters:

**Linda Kettles, RN, RAC-CT, CNO**, has worked in the field of aging since 1984. She has first hand experience as a charge nurse, MDS Coordinator, ADON, DON, Regional Nurse Consultant, Vice President of Clinical Services, and Regional Vice President of Operations. Linda has helped manage multiple facilities across the United States, with oversight of all aspects of long-term care. She is well versed in the RAI/MDS process and has a passion for mentoring Directors of Nursing.

**Karen Craig, RN-C**, is certified in Gerontology and has worked in long-term care since 1993 when she became a surveyor with the state of Kansas and she served as the Regional Manager for the Lawrence District from 1997 to 2006. Karen has worked as an interim DON, as a Director of Quality Assurance and Staff Development, a long-term care nurse consultant, and as an adult educator.
